<b>District TOTAL</b>	<b>107,700</b>	<b>115,029</b>	<b>117,273</b>	<b>116,548</b>	<b>116,434</b>	<b>120,896</b>

### Notes

Indented figures in italics are more detailed breakdowns where available, and are excluded from overall totals.  
All figures have been rounded to prevent release of confidential data, so some totals may vary from other published figures.

### Changes in population base

1971 and Earlier base = Residents present on census night + all visitors

1981 and Later Base = Residents present on census night + absent residents only
